It is believed that this invention is clearly of no interest from a security standpoint, as it relates to telecommunication networks and, more particularly, to a method and system for routing calls directed to non-geographic wireless directory numbers in a telecommunications network.

The application is a continuation-in-part of U.S. Serial No. 09/487,844 filed January 19, 2000, for which a license for foreign filing has been granted. A copy of that application and filing receipt are attached for reference.

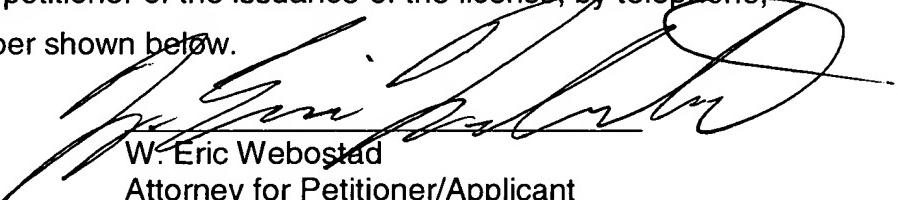

3. Expedited handling (37 CFR1.17(h))

expedited handling of this petition for license is requested. The fee therefor is to be paid as follows:

Charge Account No. 07-2339 \$130.00. A duplicate of this petition is attached.

4. Telephone notification of issuance of license

Please notify petitioner of the issuance of the license, by telephone, at the number shown below.
